REPORT

The Department of Political Science has conducted Bridge Course on "The Basic Concepts of Political Science" for B.A Ist semester. The aim of this course was to bring awareness among the students regarding significance of the Subject. Fortunately students were satisfied and got benefitted by the core concepts of the topic. The syllabus was designed according to fresher's state of mind and to create the interest of the subject among them.

A Bridge Course for newly admitted students is conducted every year by the commencement of the first semester classes. The main objective of the course is to bridge the gap between subjects studied at Pre-university level and subjects they would be studying in Graduation.

Aims and Objectives:

General:

- A Bridge course aims to cover the gap between the understanding level of the high school courses and higher educational courses.
- Bridge course is preparative course for college level course with an academic curriculum that is offered to enhance the knowledge of the students by means of preparing for the intellectual challenges of specific subject and to know basic information about core subject.
- Bridge courses are the tool to help students to success in their graduate level studies.
- It is also a pre requisite and foundational course to know the basic information about various subjects.

- The bridge course aims to act as a buffer for the new entrants with an objective to provide adequate time for the transition to hardcore of degree courses.
- The students will be equipped with the knowledge and the confidence needed to take on bigger challenges in future.

Specific:

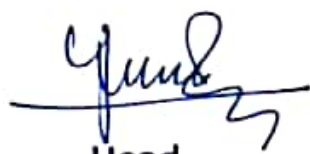

The main objective of this course is to enable the student:

- To comprehend the basic concepts of political Science.
- To acquire the information about the history and development of the basic concepts of Political Science like State, Nation.
- To analyze the concept of Sovereignty, its changing nature since immemorial.
- To understand various elements of State and a comparative study.
- To know about the pre-requisites of successful working of democracy, to know principles of Communism.
- To enlighten the different concepts of Law, Justice, Human Rights, Democracies, Constitutions, Political Institutions etc.

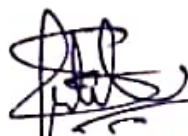

Course Design:

The course conducted for one week consists of Six teaching classes and Theory Examination designed by the department which is compulsory for all students.

Thus, this has developed curiosity among students for the subject.
