**STAKE HOLDERS FEEDBACK
REPORT
ON
CURRICULUM
2022-23**

Feedback Process

“The Quality is always the result of intelligent and continuous effort”. In that quote Internal Quality Assurance Cell (IQAC) is made a continuous effort to collect the feedback from all the stake holders every year.

After the completion of the academic session 2022-23, a separate feedback was collected from all four stakeholders i.e. Students, Teachers, Alumni and Employers regarding curriculum. Feedback has been collected from the stake holders’ in order to understand, analyze and rectify the lag areas in the curriculum.

In general, positive feedback was received as all the stakeholders expressed their satisfaction with respect to the content and design of the curriculum. The relevant suggestions were listed out and these were discussed with the Principal. Since our institution is affiliated to Rani Channamma University, Belagavi, we have to follow the syllabus designed by the university.

Mode of Collection:

From students, teachers & employers, curriculum feedback was collected in online mode and from alumni, we collected feed back through offline mode.

Students' Feedback:

The college is using the Students' feedback as a base to make improvements in the existing system after reviewing and analyzing it carefully.

The course-specific student's feedback on the curriculum was gathered.

Alumni Feedback:

Alumni are the best stakeholder for providing feedback regarding curriculum as they used to experience both the sides, i.e. theoretical knowledge and practical applicability. On the one hand, they have completed their curriculum, hence, closely familiar with all its aspects and can give honest opinion without any hesitation and on the other hand, they also experience its significance in the real world after completing the course. Keeping this point in mind, a separate questionnaire was used to collect feedback from alumni regarding curriculum.

There were 10 close ended questions on a rating of "Strongly Agree", "Agree", "Neutral", and "Disagree" in the questionnaire. Total 20 responses were received from different streams.

Do you have any suggestions regarding curriculum /College?

Suggestions by Alumni:

- Some of the Alumni suggested to focus on skill based syllabus. Syllabus must focus on skill rather than employment
- Most of the Alumni feel proud to be part of this college

Action Taken Report:

- The NEP Syllabus Structure focuses on Skill Enhancement ability through courses like SEC (Skill Enhancement Course) and VBC (Value Based Course). So the issues will be resolved through the efforts of the teachers in teaching NEP Curriculum.

Employers' Feedback

Employer is such a stakeholder who can give his honest opinion regarding the actual capabilities of his/her employees and there is no doubt that the curriculum taught at the higher education institute plays a very important role in building these capabilities.

Thus, it becomes important to know about the perception of employers so that appropriate changes in curriculum can be suggested. Keeping this in mind, feedback was collected from the employers and for this purpose, a questionnaire containing 5 open ended questions were used. Responses received from 11 employers.
