**Subject: Request to deliver an invited guest lecture on "Recent Trends in
Biomedical Sciences"**

Respected sir,

The department of Botany is pleased to invite you as a resource person to give a talk on "Recent Trends in Biomedical Sciences" and its significance in life Science students, your talk on this topic will be beneficial and enrich our student's knowledge in the field of Research in biological science.

Thank you

Yours sincerely

DEPARTMENT OF BOTANY

GUEST LECTURE REPORT

Department of Botany was organized Guest lecture, topic on "Recent trends in Biomedical Science" for B.Sc VIth semester students on Wednesday 09/8/2023 at 11 a.m by **Dr. Renukaradhya K Math**, Associate Professor, SDM Research institute for biomedical Science, Dharwad. He has delivered elaborate lecture on the topic **Recent trends in Biomedical Science**. He has explaining Biomedical Science is in an amalgamation of biological Science and medical Science and this program is to gain advanced knowledge and skills in the field of Biomedical Science. During the session students are being exposed to the various molecular aspect of a cell and got to know how the genomic sequence of a pathogen helps in understanding the variety of protein produced in it and that in turn assist scientist to produce antibiotic to control the host from various diseases and how Research methodology lecture create a strong base for research and development for innovative ideas and translation of inventions to clinical medicine for the betterment of human health. This lecturer are aspire to students careers in academia, biomedical research in research centers/ institutes to work in the biotechnical, pharmaceutical and health care industry in Indian and abroad.

This guest lecture was very useful to B.Sc VIth semester students. Our department students enjoyed this lecture and they gained the knowledge about advanced branch of biology such as Bioinformatics etc. The students and staff members were actively involved in this guest lecture. At the end of the lecture there was interaction between the speaker and the students. 102 students and 6 teaching staff were present.
