Report on 'Hindi Kahaniyon me Manaveey Samvedana'

In the field of Hindi stories, writers of many generations have highlighted the changing economic, social, political and cultural situations. Due to modernization, technology and the cruelties imposed by the capitalist system, human sensitivity has been declining. There was a change in social relationships. Personal aspirations, wishes and desires were violated. The breaking of personal aspirations, desires and the desire to acquire wealth have deprived man of his humanity and created a situation of dehumanization. He said that we should adopt new real values through morality. 64 Students were present in this occasion and also department faculties Dr. G.M. Gend and Dr. Sumi Chopade were present.
