The Women Empowerment Cell on 7-12-2022 had organised a Talk on the Topic "Sashaktha Vichaara Jagrutha Desha", an activity as a part of the MOU with the NGO. Sabala in the Seminar Hall No.1 of our College.

The Resource Person of this Programme was Dr.Mallamma Yalwar, the Proprietor of the NGO. Sabala. On this day speaking on the occasion she stressed on the point of Women taking a liberal stand which would make her to realize with the exploitation she is indulged with and the atrocities of various forms which she is not aware most of the times. She also threw light on the practice of women feticide which has now the very alarming data analysis of considerable decrease in the Female strength in comparison to the Males.

The Gender discrimination in the society was very strongly opposed here by Dr.Yalwar. The order of the vichara which completely reflects with the development of the country and is very much relied on the opportunities provided for both the sexes with equal componential values was proposed by the Chairman of Women Empowerment Cell, Prof. Vidya R.Patil.

Our Principal Dr.U.S.Pujeri as President of this Programme opined that the discrimination begins with the birth of a child and for this women are also equally responsible to create this gap. He said that the awareness of this is to given to all so that the harmony would be brought about in the social order.
